

MERI helps protect both employees and the environment by ensuring that hospitals are in compliance with federal, state and local regulations regarding the safe removal of medical, infectious & hazardous waste - without hidden fees or monthly minimums - **saving customers 20-50% or more!**

Working With Hospitals To Stay Compliant, Save Money & Meet Sustainability Goals

MERI has been providing cost-effective and dependable medical, infectious and hazardous waste solutions since 1985.

MERI is a fully licensed and insured medical waste transport, treatment and disposal company servicing Wisconsin, Iowa, Illinois and Minnesota.

Swift. Safe. Sustainable.

We help ensure your regulated medical waste stream follows all local, state and federal guidelines regarding proper transportation and destruction.

- Sustainable electronic manifest system for easy record keeping and proof of destruction.
- Reduce annual surgical disposal costs up to 19% by recycling "blue wrap" material.
- Infectious and Hazardous waste training.

MERI Can Help You Stay Compliant with EPA, OSHA, DOT and FDA Regulations, Save Money and Meet Sustainability Goals!

Your Flexible, One Source Solution.

Schedule **MERI** regularly, or just call when you need us. **MERI** offers a variety of waste container types and sizes to meet your specific hospital requirements.

- Infectious waste (including sharps).
- Hazardous materials (lead vests, acids, sanitizer, and more).
- Trace chemotherapy waste.
- Pharmaceutical waste.
- Blue Wrap recycling.
- Universal waste (fluorescent bulbs, mercury containing devices, batteries, and more).

**No hidden fees! No monthly minimums!
Pay only when you need us!**

Multiple contracts and additional fees can quickly inflate hospital RMW disposal costs. To find out if you're paying too much, call **MERI** today at **608.257.7652** or visit **www.meriinc.com**
